2. **DIVISIONS:** Competition will be held in the following divisions. Boys and Girls will be in separate divisions for each age group. ALL competition will be on a scratch basis

U8 Division – Boys/Girls – Birth date is 8/1/2014 or later

U10 Division – Boys/Girls – Birth date is 8/1/2012 through 7/31/2014

U18 Division – Boys/Girls – Birth date is 8/1/2004 through 7/31/2007

3. **Participation** in the Zone competition is a one-time entry. Any individual who attempts to bowl twice in the Zone competition **will** be disqualified from both competitions.
 - Bowlers will attempt to qualify at League Level based strictly on age. A bowler may opt to bowl in a higher age division as long as he/she declares this prior to the first league session and a “PEPSI YOUTH CHAMPIONSHIPS WAIVER FORM” is completed prior to bowling. Once league level qualifying has started a bowler must stay in the division he/she is in based on age or opted to move to a higher division. In the event a bowler qualifies in more than one league in the same division, the bowler must advance from the league in which the highest series was bowled. For identical qualifying scores, the bowler will advance from the league where the first score was bowled. An individual advancing from leagues in more than one division must use the division they specified in the league they are advancing from using the highest score bowled as the division they will advance in. In the event of a tie the **FIRST** score bowled will determine the division advance. Bowlers who are not eligible for USBC Youth Membership cannot bowl.
 - If a bowler advances out of league competition in more than one state/zone, the bowler must declare one state/zone to continue competing before the next competition level. Participation in any level of competition past the league competition in more than one state/zone will result in automatic disqualification from all competition.
 - Replacements for zone will be eligible only based on order of finish in league level of competition. League coordinators must contact bowlers in the order of finish and receive a statement from all bowlers that do not want to advance prior to going on to the next bowler. **Once a replacement has been made, the original bowler cannot be placed back into the tournament.**

4. **LEAGUE COMPETITION** for the State of Illinois will take place on the following dates:
OCTOBER 3 through OCTOBER 16, 2022

If needed, the STATE DIRECTOR may grant changes in the qualifying dates to individual bowling centers, if dates for zone tournament cannot be met. ALL bowlers advancing to the zone tournament **MUST** have bowled in REGULAR league during the qualifying window. No pre-bowling or post-bowling allowed! Dates may not be moved such that some bowlers cannot bowl due to IHSA bowling.

5. **ADVANCEMENT RATIO:** The advancement ratio from **league** competition to **Zone** competition is **one (1) for every two (2)** entries per division, per league, or major fraction thereof, including last place ties. The base number for each division in league level is the number of league members that would have participated in that division (those that have bowled at least once prior to and including the window). In all cases **at least ten persons per division** shall be allowed to advance. The advancement ratio shall be applied uniformly to all divisions.
