Special thanks to the staff at SI Bowl and SpareTime Lanes. They were an excellent hosts. Also thanks to Brunswick for donating a bowling ball for us to raffle. The winners will be announced at the Council of Delegates meeting on June 10.

Thank you to everyone who participated in the raffles, 50/50's and visits to the sales table. Your participation helps to boost the scholarships. The zone tournaments awarded scholarships totaling \$45,521.25 and scholarships at the State Finals totaled \$43,455 for a grand total of nearly \$94,000. As always, the money will be deposited into our USBC SMART account. Bowlers should receive verification of this very soon.

To the Zone Directors - thank you for the great job you do! To the coaches and league coordinators who diligently handle the league qualifying, keep up the great work!

This year the State Finals average for the handicap divisions was calculated on the athlete's zone competition average and their highest league average as March 15, 2012. If the zone competition average was more than 10 pins higher, the two averages were composited at a 3:1 ratio (league:tournament) to determine the State Finals composite average. Almost all of the athletes competed with a composite average. The composite average better represents the athlete's abilities in tournament play. Scores from the State Finals show that 65% of the athletes still averaged higher than their composite average.

The 2013 Illinois Pepsi Youth Bowling Championships State Finals will be held at Four Seasons Bowl in Freeport (12 Over) and Fox Bowl in Wheaton (11 and Unders)

I would be very remiss if I did not thank anyone else I might have missed for their hard work during the season, especially my wife Kathy who without we'd have never kept things straight.

THANKS!!

Steve Lawson

Special thanks to the staff at SI Bowl and SpareTime Lanes. They were an excellent hosts. Also thanks to Brunswick for donating a bowling ball for us to raffle. The winners will be announced at the Council of Delegates meeting on June 10.

Thank you to everyone who participated in the raffles, 50/50's and visits to the sales table. Your participation helps to boost the scholarships. The zone tournaments awarded scholarships totaling \$45,521.25 and scholarships at the State Finals totaled \$43,455 for a grand total of nearly \$94,000. As always, the money will be deposited into our USBC SMART account. Bowlers should receive verification of this very soon.

To the Zone Directors - thank you for the great job you do! To the coaches and league coordinators who diligently handle the league qualifying, keep up the great work!

This year the State Finals average for the handicap divisions was calculated on the athlete's zone competition average and their highest league average as March 15, 2012. If the zone competition average was more than 10 pins higher, the two averages were composited at a 3:1 ratio (league:tournament) to determine the State Finals composite average. Almost all of the athletes competed with a composite average. The composite average better represents the athlete's abilities in tournament play. Scores from the State Finals show that 65% of the athletes still averaged higher than their composite average.

The 2013 Illinois Pepsi Youth Bowling Championships State Finals will be held at Four Seasons Bowl in Freeport (12 Over) and Fox Bowl in Wheaton (11 and Unders)

I would be very remiss if I did not thank anyone else I might have missed for their hard work during the season, especially my wife Kathy who without we'd have never kept things straight.

THANKS!!

Steve Lawson
