Special thanks to the Jim Saffold and the great staff at Stardust Bowl. They were an excellent hosts. Also thanks to STORM for donating a bowling ball for us to raffle. The winner will be announced at the Council of Delegates meeting on June 14.

Thank you to everyone who participated in the raffles, 50/50's and visits to the sales table. Your participation helps to boost the scholarships. The zone tournaments awarded scholarships totaling \$39,075.50 and scholarships at the State Finals totaled \$37,662 for a grand total of \$76,737.50 As always, the money will be deposited into our USBC SMART account. Bowlers should receive verification of this soon. This year's total (and perhaps those in the future) were down some due somewhat reduced participation along with changes in SMART policy that were cause for them to not return any money to 'reuse' (expired funds) as we have in the past. We were unaware of this change until after the zone tournaments (where we had already allocated funds based on past practice) and thus did not have the typical expired funds to add to the state scholarship fund.

To the Zone Tournament Managers - thank you for the great job you do! To the coaches and league coordinators who diligently handle the league qualifying, keep up the great work!

This year the PEPSI as we all know was a scratch tournament based on six age groups (we chose not to use the U6 group which was optional). USBC added U10 Divisions along with providing Junior Gold spots for our U12 winners. Having two more divisions added a few to the mix. Hopefully this tournament can now only grow as bowlers realize that improving their skills is what is needed to move on (just as in any other sport). We certainly had the best of the best at our state tournaments and the kids put on quite a show for us.

I would be very remiss if I did not thank anyone else I might have missed for their hard work during the season, especially my wife Kathy who without we'd have never kept things straight.

THANKS!!

Steve Lawson
