Special thanks to the great staffs at Don Carter Lanes and The Cherry Bowl. They were both excellent hosts. Also thanks to Columbia 300 for donating the bowling ball for us to raffle. Winners were drawn each weekend and certificates are in the mail to the winners.

Thank you to everyone who participated in the raffles, 50/50's and visits to the sales table. Your participation helps to boost the scholarships. The zone tournaments awarded scholarships totaling \$34,535.35 and scholarships at the State Finals totaled \$45,440.00 for a grand total just shy of \$80,000. As always, the money will be deposited into our USBC SMART account. Bowlers should receive verification of this soon. This year's total (and perhaps those in the future) was up some due to increased dividends and expired SMART funds. We hope this trend will continue (not that we want scholarships to not be used, but that's a fact of life. We were not aware of the size of the amounts we would receive until after we started. Given what we now have and hope to expect we should be able to supplement both the state and zone tournaments in the future. At least for this year we were able to add some to the state scholarships.

To the Zone Tournament Managers - thank you for the great job you do! To the coaches and league coordinators who diligently handle the league qualifying, keep up the great work!

Again, with our tournament now being scratch, we truly had the 'best of the best' at our state tournaments and the intense competition and great scores proved that.

I would be very remiss if I did not thank anyone else I might have missed for their hard work during the season, especially my wife Kathy who without we'd have never kept things straight.

The following pages outline our state scholarship winners along with a brief financial recap of the scholarships.

THANKS!!

Steve Lawson
